We have many applications that are awaiting issuance at Publications that have been returned to the Corps for either a printer type correction or for papers received after allowance that need examiner attention. I am asking for each of you this week to address steps to make a concerted effort to substantially reduce the number of these cases. As an attachment to this memo is a guide/instructions on how best to handle these types of cases in IFW.

Your cooperation in helping to clean up these cases is greatly appreciated!
